## 0 Sadržaj

---

## 2 Cijevne obujmice i pribor

---

## 3 Učvršćivanje za ventilacijske kanale

---

## 4 Montažni profili i pribor

---

## 5 Konzole, osnovne ploče i montažni nosači

---

## 6 Klizači

---

## 7 Pričvršćivanje i nosači za trapezni lim

---

## 8 Zvučno izolacijski elementi

---

## 9 Vijci, sidra i pribor

---

## 10 Fiksne točke

---

## 11 Sistem Pressix CC 27

---

## 12 Cijevne spojnice

---

## 13 Signalizacija

---

## 14 Armature

---

## 15 Izolacija

---

## 16 Nehrđajući čelik

---

## 17 HCP zaštita matrijala

---

TUV®

1. Općenito: Sljedeći uvjeti jedini su mjerodavni za cjelokupno poslovanje, te i tada kada je naručitelj službeno odredio drukčije uvjete. Vrijede kao prihvaćeni od strane kupca ukoliko kupac prilikom naručivanja nije prigovarao.

Telefonske ili usmene dopune, odn. izmjene da bi bile valjane trebaju našu pisanu potvrdu. Svi dosadašnji uvjeti s time su nevažeći.

2. Naše ponude su, ako ne postoji drukčiji dogovor, neobvezne. Za slike i crteže u našim katalogima, kao i za naše uzorke pridržavamo si pravo vlasništva i autorsko pravo. Bez našeg dopuštenja ne smiju biti dostupne treći osobama i potrebno ih je na zahtjev odmah vratiti. Dimenzije i tehnički podaci:

Sve navedena dimenzije i tehnički podaci imaju približne vrijednosti. Za pridržavanje ne preuzimamo nikakvu odgovornost. Pridržavamo si pravo na izmjene.

3. Cijene EUR vrijede franko poduzeće, odn. Podružnica bez ambalaže i s dodanim PDV. Obračunavaju se cijene važeće na dan dobave. Pridržavamo si pravo ina izmjene cijena.

4. Dobava: Navedeni dobavni rokovi počinju vrijediti s danom potvrde narudžbe i nisu obvezujući. Reklamacije koje su nastale zbog odugovlačenja dobavnih rokova koja su nastala zbog smetnji u poduzeću, nepredviđenih poteškoća u dobavi sirovina i obrtnih sredstava, odn. zbog više sile se ne priznaju. Isključuje se mogućnost odustajanja od dobave. Djelomične dobave su dopustive o trošku naručitelja. Kod natpisnih ploča za gradilišta i samoljepljivih folija može doći do premašivanja naručene količine za 10 %, jer se radi o izradi po posebnoj narudžbi, te naručitelj mora preuzeti i platiti višak.

5. Sukcesivne dobave, ukoliko to nije u potvrdu narudžbe drukčije određeno, moraju biti preuzete u roku četiri mjeseca nakon završetka narudžbe, bez da bi od naše strane došao zahtjev za preuzimanje. Ukoliko je ovaj rok prekoračen, pridržavamo si pravo robu obračunati, ili stornirati narudžbu.

6. Otprema se uvijek izvrši na račun i rizik naručitelja. Kada se ne navedu otpremni uvjeti, uvijek se bira najpovoljniji transportni put bez odgovornosti za najjeftinije slanje ili dospjeće robe u dobrom stanju. Razlika je samo kod otpreme robe u vrijednosti najmanje EUR 370,--, jer vrijedi paritet fco prijemna postaja.

7. Ambalaža se obračuna po vlastitoj nabavnoj cijeni. Sva korištena ambalažna sredstva kao što su ljepenka, sanduci za jednokratnu uporabu iz vezanih ploča ili uobičajeni drveni sanduci je nepovratna.

8. Plaćanje: Naši računi se plaćaju u roku 30 dana od

dana ispostavljanja računa neto (ne prema datumu primitka računa ili robe). Prilikom plaćanja u roku 10 dana od dana ispostavljanja računa priznajemo 3 % skonto na vrijednost računa, pod uvjetom da su sve dospjele fakture podmirene. Rok plaćanja je ispunjen, ako je uplata ili čekom plaćeni iznos u roku knjižen u dobro na jednom od naših bankovnih računa. Mjenice kao platno sredstvo ne primamo. Kod međunarodnih plaćanja bankovni troškovi za izvršenje uplate kod kuće idu na naš račun, i troškovi u inozemstvu na račun obveznika plaćanja. Višekratni skonto odbici, odn. skonto odbici prema roku plaćanja, kao i smanjenje troškova slanja i ambalaže se ne priznaju. U slučaju kašnjenja s plaćanjem obračunavaju se uobičajene bankovne zatezne kamate. Ukoliko dospjeli računi unatoč opomeni nisu podmireni, na naplatu dopijevaju svi otvoreni računi. Osim toga, pridržavamo si pravo na potpuno ili djelomično ukidanje količinskog popusta. Nepoznatim kupcima u početku robu dobavljamo samo na osnovi plaćanja u gotovini, pouzećem ili na osnovi avansnog plaćanja uz 3 % skonta. Smatra se dogovorenim da troškove u slučaju kašnjenja s plaćanjem ili izvansudske troškove i troškove opomena od strane odvjetnika, plaća naručitelj robe.

9. Gore navedeni dobavni i platni uvjeti vrijede u slučaju vaše narudžbe kao sporazumno dogovoreni i ako su vaši uvjeti prilikom plaćanja drukčiji. Mogu se poništiti djelomice ili u cjelini samo ako se pisanim putem dogovorimo drukčije.

10. Pridržavanje prava na vlasništvo: Dobavljena roba ostaje naše vlasništvo do potpunog plaćanja, odn. do unovčenja čeka, i kod ponovne prodaje. Zalog ili davanje u jamčevinu nisu dopušteni. Kupac nas je dužan bez odgađanja obavijestiti o očekivanoj ili izvršenoj ovrši, odn. u slučaju svakog kršenja naših prava od strane treće osobe. Prema stečajnom pravilniku imamo pravo na izdvajanje, odn. ustupanje našeg prava na naplatu. U slučaju preuzimanja s naše strane dobavljene robe sa zadržanim pravom vlasništva od strane treće osobe, naručitelj nas o tome mora odmah obavijestiti. Eventualni troškovi za potrebnu intervenciju prema trećoj osobi idu na teret naručitelja.

11. Reklamacije glede kvalitete pošiljke potrebno je javiti najkasnije u roku 5 dana nakon primitka pošiljke. U suprotnom slučaju, pošiljka se obrađuje kao primljena. Naša obveza se ograničava na naknadnu dobavu robe ili odobrenje za robu. Za proizvode stranih proizvođača jamčimo načelno samo u opsegu za koji jamče i preuzimaju obveze i naši poddavljači. Eventualni povrat pošiljke bez prethodnog dogovora s prodavačem nije dopušteno. Ukoliko se pritom radi o djelomičnim pošiljkama, obrađivana se narudžba iz tog razloga ne može anulirati. Kod prigovora zbog količine općenito vrijedi.

12. Garancija, odn. garancijski rok: garancijski rok

načelno iznosi 24 mjeseca od dana kupnje za besprijekornu kvalitetu robe, izvedbu i djelovanje pod uvjetima da prvo, roba prije prerade, odn. uporabe nije bila izložena štetnim utjecajima i drugo, da su prerada ili montaža bile izvedene prikladno stanju tehnike.

13. Povrat robe: Načelno se ne prihvaća pravilno dobavljena i prodana roba. Iznimke su moguće samo u određenim, dogovorenim slučajevima. Ukoliko smo zbog kulantnosti pripravi prihvatiti vraćenu robu, naručitelju se odbija 10% troškova za ponovno skladištenje robe. Pošiljka mora biti vraćena bez troškova. Roba mora biti dobro zapakirana. Dorade koje su bile potrebne zbog lošeg pakiranja ili drugih utjecaja, obračunavaju se po vlastitoj cijeni. Kod posebnih izrada koje se ne mogu prodati dalje, povrat robe je isključen.

14. Mjesto ispunjavanja za sve poslove, kao i za sva ostala prava i obveze koje proizlaze iz posla je Črenšovci, odn. za dobave i plaćanja Črenšovci. U oba slučaja je nadležan je sud Črenšovci.
